1. Source looked up all firms in the directory of Leisnig (N 52/K 69). He found one firm manufacturing electric appliance, located on Wissmannstrasse. According to information of source this firm produces all kinds of electric household ware only.

2. The firm "Stern-Radio-Leipzig" at Doebelnerstrasse in Leisnig produces all kinds of radio sets, telephones, telephone switchboards, sound amplifiers etc. All products are marked with Russian inscriptions and plates. The plant is not fully in operation with work being done only in some of the workshops.

surroundings. They all said that in addition to the abovementioned instruments, no other apparatuses for unknown purposes or other instruments are being produced.

25X1X

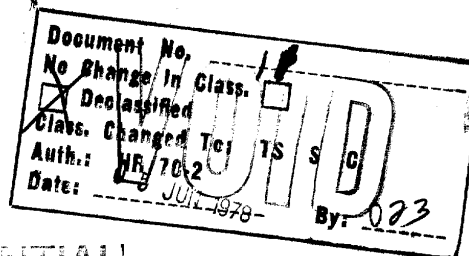

the consignee. The sales manager assured him over the telephone that there is no firm in Leisnig manufacturing special instruments and he could not say to whom such a shipment could be sent.

25X1A

Comment:

According to other available records no "Metallwaren Fabrik" in Leisnig could be identified which manufactures gyro instruments.
